Subject: EPA's letter in response to the invitation to serve as a cooperating agency on the Pebble
Project EIS
[18-0002-COE Pebble Project Cooperating Agency Response Ltr.Signed.pdf](#)

Dear Colonel Brooks and Ms. Newman,

On behalf of David Allnutt, the Director of the EPA Region 10 Office of Environmental Review and Assessment, attached please find the EPA's letter in response to the U.S. Army Corps of Engineers, Alaska District's invitation to serve as a cooperating agency on the Pebble Project EIS development. If you have any questions, or for more information, please contact David Allnutt or Patty McGrath using the contact information provided in the attached letter.

Jill A. Nogi, MPH | Manager

Environmental Review and Sediment Management Unit

EPA Region 10 | Office of Environmental Review and Assessment
